

SOUTHWEST THERMAL TECHNOLOGY

INCORPORATED

3251 Corte Malpaso Suite # 507

Camarillo, California, 93012

Phone (805) 484-2992

Toll Free (888) 226-8522

Fax (805) 484-0049

[Sales Representative and/or Stocking Distributor for:](#)

- > **Alco Products, Inc.**, *Hairpin type shell & tube heat exchangers, double pipe and multi-tube designs.*
- > **Bos-Hatten, Inc.**, *Custom and special design shell & tube heat exchangers & pressure vessels including steam surface condensers, feedwater heaters, ASME, TEMA and HEI Codes.*
- > **Burgess Manning, Inc.**, *Industrial silencers and inlet gas filter / silencers. Compressed gas moisture separators and filters including pulsation dampeners for compressors and pressure blowers.*
- > **Cooling Technology, Inc.**, *Refrigerated Water Chillers. Temperature Control Units and Pump Stations*
- > **Des Champs Laboratories, Inc.**, *Industrial gas-to-gas heat exchangers and heat recovery packages. Efficiencies to 85% and operating temperatures to 2000 °F*
- > **Enerquip, Inc.**, *Exchangers for food processing, CIP, pharmaceutical and chemical industries.*
- > **FIN-X Fin-Tube Exchangers**, *Process air-cooled exchangers - API 661 specification products for engines, gas compression, oil cooling, gas processing, condensing, chemical plants and refineries*
- > **Gaumer Process Heaters**, *Process electric heaters and controls - catalog items plus special designs, Packaged hot oil systems, ovens, heated tanks, and electric heat exchangers*
- > **Hexeco, Inc.**, *Oil cooling coils for generator thrust and guide bearings, replacement or new designs.*
- > **Industrial Heat Transfer, Inc.**, *Industrial coils and other custom finned tube products including, transformer oil cooling, exhaust heat recovery and fan cooled unit.*
- > **Isotherm Inc.**, *Refrigeration applications including chillers, condensers and complete package systems. Brazed and welded plate designs*
- > **Mueller Heat Transfer Products**, *Accu-Therm plate heat exchangers, Temp-Plate embossed surface heat exchangers for industrial & food / sanitary designs. Hybrid welded plate exchangers*
- > **RSD Cooling Towers**, *Fiberglass cooling towers complete with controls, shipment from stock*
- > **Super Radiator Coils**, *Refrigerant, steam and water finned tube coils. Standard and custom designs*
- > **Thermal Transfer Products**, *Complete line of shell & tube and air-cooled heat exchangers for new applications and interchangeable replacement products for other manufacturers*
- > **GEA WTT America, Inc.**, *Brazed plate exchangers for heating or cooling applications including refrigeration condensers and evaporators. 316 s/s with either copper or nickel braze material.*

Other equipment and services including: *replacement tube bundles and accessory products.*

HEAT EXCHANGER AND RELATED PRODUCTS, APPLICATION, DESIGN, SALES & SERVICE
